Introduction

How we began

It was Easter of 1999 and my husband and I were studying at the Queensland Baptist College. As part of our cross-cultural studies we were encouraged to think about developing a cross-cultural ministry. We had a good friend Hong Mo from Korea who was working part-time as a chaplain to a language school in Australia. He lamented that many students came to Australia expecting to meet Australians and learn more about Australian culture and English. The reality is that they often only meet other international students and find it very difficult to make contact with Australians.

Around that same time I met an international student waiting outside the City Library. I started a conversation with her. After a while, I asked her if she had met many Australians. She looked at me with tears in her eyes and said: “I have been here for two years studying at university and you are the first Australian to begin a conversation with me.” At that moment the verse came to mind: “I am a stranger will you welcome me?”

We decided to invite Hong Mo’s Korean friends together with our friends from Bible College and hold an Easter BBQ. Many students turned up. We organised other activities to introduce Australian culture. Students enjoyed mixing and meeting other Australians. Knowing we studied at Bible College, some students approached us to teach them English through the Bible. They had seen the way we lived our Christian lives and wanted to know more. A couple preparing to be missionaries overseas joined us and we started doing English Bible studies.

This proved to be quite a challenge as we realised the Bible stories contained new vocabulary, Jewish and Greek culture and a Christian/Jewish worldview. So we started choosing parables and looked at the main idea from each parable. We then provided an interactive warm-up before the lesson to introduce the main idea and began with Hot Topics to connect the parable to the students’ own culture. Students then read/acted out the parable, checked for new vocabulary, cultural information and then answered discussion questions.

Over the past 10 years we have met hundreds of international students. Many of them keep in contact and have become close friends. We have held English Corner
reunions in Taiwan, Japan, Hong Kong, Korea and China. Students have returned to their countries and have begun their own English Corner groups.

Through listening to their stories, their reasons for learning English, their hunger to know more about the meaning of life and how they became Christians, God has taught us many things.

We would like to share these with you. Many people have helped us along the way and we thank them for their wisdom, love and support. We welcome you to use the material, change and adapt it to suit your ministry situation.

May God bless you in your work with international students. It is a wonderful rich life not only meeting people from other cultures but also getting to know them deeply.

Update

We recently celebrated the English Corner 10 year anniversary. We give thanks to God for all that He has taught us through the fabulous adventures we have had with folk from around the world, teaching English as ministry.
The Principles Behind English Corner

1. God is Drawing People to Himself

When we pray for English Corner, we ask God to bring us the teachers and students He wants.

An important principle by which we operate is that God is in control. He is the one drawing students towards him and bringing open students to English Corner. We are continually amazed at how both teachers and students come to English Corner. When we have 100 students turn up – we have just the right amount of teachers. When there are 40, again we have a good ratio of students to teachers.

We never push students and hope to be open and respectful to students from other religions. We understand that God is the one who makes the seed of the gospel grow. We need to provide the right setting, be imitators of Christ and then let God’s Spirit do the rest.

We work as a team, not only in English Corner but also with churches and other English ministries. When we have a baptism or a good-bye party we always see the other ‘workers’ in the field who have watered and tended the seed in that student’s life.

What, after all, is Apollos? And what is Paul? Only servants, through whom you came to believe – as the Lord has assigned to each his task. I planted the seed, Apollos watered it, but God made it grow.

1 Corinthians 3:5-9 (CEV)
2. Authentic Christianity

We endeavour to reflect an authentic Christianity to the students. This means being open about our Christian lives. When we are asked we are ready to “give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, keeping a clear conscience…” 1 Peter 3:15.

We find that students are always watching. They watch how you treat your family, your friends, and people from other cultures, the poor, the waitress, the bus driver. They are seeing if your life is different. When they see Christ’s light in you they want to know more. We have rarely sat down and shared directly with a student but some students have come up to us and said they want to know more about Jesus or that they have begun to pray or want to go to church. God is working in their lives without our even knowing it. Oh the mystery and wonder of God in people’s lives!

This takes the pressure off us both. We can sit down together as fellow sojourners, wanting to explore this mysterious life and its meaning. We are honest with our questions and our struggles. We have nothing to hide.

3. Relational

The main reason students continue to come to English Corner and keep in contact after they return home is the relationships they have built with each other and the teachers. We create a family atmosphere where students are welcomed regardless of age, background or education. That goes for our teachers as well. We are a mixed bunch of people.

We endeavour to have students to our places for dinner and some of us also live with students. A number of us have made conscious decisions to rent houses with enough rooms to have a share house situation. In these houses community is created through house meetings, social outings, involvement in our church and daily lives. Events like Easter films and Christmas parties are held at our homes, as many students may never visit an Australian home.

Do not forget to entertain strangers, for by so doing some people have entertained angels without knowing it.

Hebrews 13:2 (CEV)
4. Church

Introducing students to an ‘international friendly’ church is an important part of an English Corner ministry. It is at church they meet other Christians. They will need to be ‘walked through’ the various rituals and language of church. You may even want to sit next to them and draw stick figures to help explain the sermon. If you know the sermon topic or reading beforehand you can give out a translation of the passage in his or her own language. Church can be a very inclusive and welcoming place or an alienating and confusing experience for the new church attendee. Inviting students to your church needs prayer and preparation. Helping the people in the congregation mix with the students and to build relationships is a very important witness to the international student.

Students who have had a positive experience of church are more likely to search out a church when they return home. This is a very important part of their continuing spiritual development and growth.
How to Use English Corner Material

English Corner material has been developed with the following considerations in mind:

1. That the majority of students attending English Corner do not come from a Christian background and have very little background information on the Bible.

   Implication: Assume nothing! Students even ask what is Jesus not who is Jesus. Any Bible story is steeped in cultural knowledge, a Jewish worldview and history. The cultural context of the story needs to be explored and compared to the student’s own culture as well as Australian culture. Any biblical terms like: sin, prophecy, Pharisee, Sadducees, disciple, repentance, for example, need to be explained. They are not common English words students come across in their language classes.

2. Most of the ESL (English as a Second Language) students involved in English Corner come from an Asian background – predominately South Korea, Japan, Taiwan, China and Thailand.

   Implication: Students may come from a Buddhist, Confucius or Shinto worldview. Ancestral worship is very important. Ceremonies and rituals around funerals, death anniversaries involve all family members. Confucian ethics on respect for elders blend with Buddhist customs to make it very important that all the family is involved in the family worship. This is especially true for the eldest son, whose duty it will be to carry on the worship of the ancestors when he is head of the family.

   Some families have many good luck charms and rituals to drive away bad spirits. Family members and friends often give the departing students paper with special words inscribed or other charms to keep them safe whilst they are away overseas.
Helping students examine their cultural, family and personal worldviews that influence their life is an important process in accepting Christ’s worldview.

3. Students learning English tend to be on a student visa or working holiday visa lasting around 12 months. Most students stay in the one place for around 6 months and then go travelling.

*Implication:* You may not have your student for long! Often they get part-time work, move to another capital city, and go travelling. So each lesson needs to stand-alone. A series of lessons leading up to Christmas or Easter is possible if reviews are made before the beginning of each lesson.

4. Students initially come to Australia to learn English, experience a new culture and have an adventure.

*Implication:* In English Corner our lessons have the following aims:

1. Develop relationships between students and between teachers and students.

2. Provide a comfortable, supportive environment for students to practice their English. We encourage students to “Please Make Mistakes!”

3. Design the lessons so there is maximum student involvement. Students are encouraged to read out the questions, discuss in pairs, threes or small groups, and act out a story. By the end of the lesson hopefully the students have done 80% of the talking, reading, asking and answering the questions. This is not your typical Bible study.

4. Provide discussion topics, parables, and Bible stories for students to learn not only English but learn about the meaning of life, to introduce them to authentic Christianity and the Bible.

5. Offer hospitality and parties that explain important festivals – Christmas, Easter, Australia Day, and Anzac Day, World Cup soccer etc.

6. Be an information hub to give out free events information, explaining transport, finding work, accommodation, any good places to visit or cheap restaurants and movies. Information that students need but find very hard to access.
The Lessons

There are three main types of lessons used in English Corner. They are parables, learning English through discussion, and an introductory series to Jesus. Throughout the year, we alternate between doing a series on parables then moving into learning English through discussion and then, depending on the time of year, a series on Jesus leading up to Easter or Christmas. Interspersed throughout these series are one-off stories linked to public holidays like New Years Day, Australia Day, Anzac Day, NAIDOC week (National Australian Indigenous Day of Celebration) or Sorry Day (Day of Healing for Aboriginal and Torres Strait Islanders). Included in this manual are the parable lessons, the many meanings of lessons, the Jesus series, Christmas and the Easter lessons. You will need to change adapt to suit your teaching context.

These lessons will now be explained and presented.

Parables

Jesus used parables throughout his ministry. He explained to his disciples why he spoke in parables: “The knowledge of the secrets of the kingdom of God has been given to you, but to others I speak in parables, so that, “though seeing, they may not see; though hearing they may not understand.” Luke 8: 9-10 (CEV).

The use of parables will evoke the interest of those who have any spiritual insight and shield the truth from those who are not yet spiritually open. We have seen this so many times when using parables in our lessons. There will always be a couple of students in each small group who suddenly grasp the meaning of a parable with an ‘ah ah’ experience. Their eyes have been opened and the truth revealed. What may have taken a theological student hours of debate and discussion to understand, these non-Christian students just know. Other students in the group see the parable as an interesting story but that is where it stops.
Bill Perry in his Bible Study Series, ‘Crossing Over with Parables’ provides a helpful summary of using parables with international students. He suggests to:

1. **Develop the context of the parable**

   To understand the true radical nature of the meaning of a parable, the reader needs to be aware of the culture that informs the text. Questions such as Who? What? Where? When? and Why? are important in developing the context of the parable and for checking for understanding of the students.

2. **Look for the main point**

   There is usually one major theme contained in a parable. There will be other important secondary (no less important) issues but it is helpful to draw out the major theme and design your lesson around that theme.

3. **Parables press the listener to respond**

   This is why parables are often an engaging evangelistic tool. Parables demand a radical change in the listener’s worldview or approach to God, other people and life in general. Parables address these issues in a relational, friendly, indirect way that sometimes surprises the audience and clearly confronts them with a choice.

The Parable Lesson Format

Each lesson has the following format:

1. Warm-Ups
   ➢ Whole group: An activity that introduces the topic and students to each other.

2. Small Groups
   ➢ Break into smaller groups according to English proficiency levels, beginner to advanced (students usually self select their English level).
   ➢ Assign a teacher/facilitator to each group.

3. The Lesson:
   
   **Hot Topics**
   ➢ Introduce the hot topics. These relate the lesson to the students’ culture or personal experiences.

   **The Parable**
   ➢ Provide students with many opportunities to speak. Vary the format. Students may discuss questions in pairs or threes. They may act out the Bible stories. Students can take turns facilitating the discussion.

4. The Finish
   ➢ Whole group: Brief comment about the lesson, interview students leaving and announcements – free events etc.

Continue until the chocolate is finished. An alternative is eating M and M’s with chopsticks. This introduces the idea that some people can be addicted to chocolate or gambling (the dice). |

Parable Lessons

Lessons to photocopy
Today’s lesson is about storms, floods and a wise man!

HOT TOPICS
1. Work out the meaning of the weather idioms in the following discussion questions (good luck!)
   a. What were you doing two weeks ago when it was bucketing down?
   b. In your country when does it usually rain cats and dogs?

2. Have you ever experienced a hurricane, typhoon, tornado, or flood? Share your experiences.

THE STORY - Matthew 7:24-29 (CEV)
Today’s story is a parable told by Jesus. A parable is a story that has a deeper meaning. We can learn important truths from parables told by Jesus.

Choose three people to read the story: Speaker 1, Speaker 2 and Narrator.

Speaker 1
Anyone who hears and obeys these teachings and doesn’t obey them is like a wise person who built a house on solid rock.

Speaker 2
Rain poured down, the rivers flooded and the wind beat against the house. But it did not fall because it was built on solid rock.

Speaker 1
Anyone who hears these words of mine and does not obey them is like a foolish person who built a house on sand.

Speaker 2
The rain poured down, the rivers flooded, and the wind blew and beat against that house, and finally, it fell with a crash!

Narrator
When Jesus finished speaking, the crowds were surprised at His teachings. He wasn’t like the religious teachers – Jesus taught with authority.

DISCUSSION
1. Divide into pairs. Student A: draw the foolish man’s house. Student B: draw the wise man’s house. Then explain the story together.

2. In pairs discuss what Jesus was trying to teach.

3. When you visit another country, away from family friends, you can be faced with many different choices and experiences (good and bad). Your ‘house’ can be shaken. You may do things in Australia that you would never do in your own country. Jesus was saying that if your life was built on rock (himself), something solid, a certainty, then your time in Australia, good and bad, would not shake or destroy you. But if your life is built on sand, always changing, nothing solid or certain, then your experience in Australia, good and bad, could confuse, upset and may cause you to fall. Have you seen this happen to anyone? How do you manage the storms in your life?

VOCABULARY
Obey: To follow or do what Jesus says to do.
Wise: A wise person is able to use their knowledge and experience to make good decisions.
Foolish: Opposite of wise.
The rain poured down: to rain really heavily, producing lots of water.
Crowd: Many people.
Jesus taught with authority: He taught with confidence and people respected and admired what he said.
HOT TOPICS
• Have you ever worked on a farm?
• What are the major crops produced in your country?
• What problems do farmers have in your country?

TODAY’S LESSON...
We are going to learn English through parables. Jesus told many stories that contain important truth. Today’s story is about a farmer but it is also a story about your heart.

VOCABULARY
Scatter: (verb) To throw objects over an area so that they land apart from each other.
Field: (noun) An area of land used for growing crops or keeping animals.
Rocky: (adjective) With lots of rocks.
Choked: If something is being choked it stops breathing or living.

THE STORY
You may want to break your group into 2 if you have large numbers.

1. A farmer scattered some seeds on a path. The birds ate the seed. (Voice 2)
2. Some seeds fell on rocky ground. The seeds grew but the sun burned the plants and they dried up. (Voice 3)
3. Other seeds fell among thorn bushes and the thorn bushes choked the plants. (Voice 4).
4. But some seeds fell in good soil and the plants sprouted, grew and produced grain. (Voice 5)

DISCUSSION
The story of the seeds has a deeper meaning. It is about different ways people respond to hearing God’s message. God’s message is found in the Bible.
1. Look at the first picture. What does the message of God mean to these people?
2. Look at the second picture. These people accept God’s message but what happens to these people when life gets hard?
3. Look at the third picture. Why don’t these people produce fruit?
4. Look at the fourth picture. Why do these people produce so much fruit?
5. Which picture best describes you? Do you want to be like one of the other pictures? If you answered yes, how can you change?
HOT TOPICS
1. Do you like to ask questions in class? Why or why not?
2. Is it okay in your culture to ask questions?

In today’s story we meet a man who has a question. He was a rich young man who was a leader. Choose four people to read the story: narrator, man, Jesus, disciple.

The Rich Young Ruler – Matthew 19:16-30 (CEV)

Narrator: Once a man came to Jesus. He asked:

Man: Teacher, what good things must I do to have eternal life?

Jesus: Why do you ask me what is good? Only God is good. If you want to have eternal life, you must obey God’s commandments.

Man: What ones?

Jesus: Do not murder; be faithful in marriage; do not steal; do not tell lies; do not cheat; respect your mother and father and love others as much as you love yourself.

Man: I have obeyed all these commandments. What else must I do?

Jesus: If you want to be perfect, go and sell everything you own! Give the money to the poor, and you will have riches in heaven. Then come and follow me.

Narrator: When the rich man heard this, he went away sad, because he was very rich. Jesus then said to his disciples.

Jesus: It’s terribly hard for rich people to get into the Kingdom of God. In fact it is easier for a camel to go through the eye of a needle than for a rich person to get into God’s kingdom.

Narrator: When the disciples heard this, they were greatly surprised.

Disciple: Who, then, can be saved?

Narrator: Jesus looked straight at them and said:

Jesus: This is impossible for man, but for God everything is possible.

Discussion
1. What was the man’s question? (In large group discuss)

2. What is eternal life? In your culture what do you believe will happen when you die? (In pairs).

3. Jesus said if you want to be perfect, you should go and sell everything you have and give to the poor. Could you do that? Is it possible to be perfect? (In threes discuss).

4. The disciples realised they weren’t perfect and couldn’t enter the kingdom of God. How does Jesus reassure them? (In large group discuss).

Vocabulary

Knelt is past tense of - Kneel = to fall on your knees
Commandments = laws given by God for us to obey
Genuine = real or true sorrowful = feeling unhappy

Eternal = lasting forever
Adultery = sex with someone other than husband or wife
Disciples = followers of Jesus
HOT TOPICS

1. Have you felt welcomed in Australia? How have people made you feel welcome or not welcome? What did they do? (Discuss in pairs)

2. How are foreigners received or welcomed in your country? Did you ever have any foreigners for dinner in your country? (Discuss in threes)

3. Have you been to an Australian house for dinner? Was the hospitality different than in your country? (Discuss in two groups)

Today we are going to look at a story in the Bible from Luke 7:36-50. It is about hospitality. It is also about two people in debt and how they felt when their debt was forgiven. You will be the actors so that you can practice your reading and expression!

The Story:

Narrator: A Pharisee invited Jesus to have dinner with him. So Jesus went to the Pharisee’s home to get ready for him. When a sinful woman in that town found out that Jesus was there, she bought an expensive bottle of perfume. Then she came and stood before Jesus. She cried and started washing his feet with her tears and drying them with her hair. The woman kissed his feet and poured the perfume on them. The Pharisee who had invited Jesus saw this and said to himself:

Simon: If this man really were a prophet, he would know what kind of woman is touching him! He would know that she is a sinner.

Narrator: Jesus said to Simon, the Pharisee:

Jesus: Simon, I have something to say to you.

Simon: Teacher, what is it?

Jesus: Two people were in debt to a money lender. One of them owed him 500 silver coins, and the other owed him 50. Since neither of them could pay him back, the money lender said that they didn’t have to pay him anything. Which one of them will like him more?

Simon: I suppose it would be the one who had owed more and didn’t have to pay it back.

Jesus: You are right.

Narrator: Jesus turned towards the woman and said to Simon.

Jesus: Have you noticed this woman? When I came into your home, you didn’t give me any water so I could wash my feet. But she has washed my feet with her tears and dried them with her hair. You didn’t greet me with a kiss, but from the time I came in, she has not stopped kissing my feet. You didn’t even pour oil on my head, but she has poured expensive perfume on my feet. So I tell that all her sins are forgiven, and that is why she has shown great love. But anyone who has been forgiven for only a little will show only a little love.

Narrator: Then Jesus said to the woman.

Jesus: Your sins are forgiven.

Narrator: Some other guests started saying to one another:

Guest: Who is this who dares to forgive sins?

Narrator: But Jesus told the woman:

Jesus: Because of your faith, you are now saved. May God give you peace.

Teacher to interview:

Simon the Pharisee: Why did you invite Jesus to your house? How did you feel when the prostitute came and washed Jesus’ feet?

The Prostitute: Why did you wash and kiss Jesus’ feet?

Jesus: Why did you tell the story about the money lender?

DISCUSSION

In threes discuss:

What would you do if you knew that all your sins (all the bad things you have done) could be forgiven? How would you feel?
The Tax Collector – Being Open to New Ways of Thinking

Today’s story is about a tax collector and his encounter with Jesus. It is also about being open to new ways of thinking.

HOT TOPICS

1. Do you have high or low taxes in your country?

3. As international students, what parts of Australian culture or values do you find difficult to understand or accept?
4. Which new idea(s) have you learnt in Australia that may be difficult to take back home? Why?

THE STORY:
Break into groups of 3. Each student selects a role to read out. Narrator, Jesus and the Pharisee (religious leader).

Jesus and the Tax Collector - Mark 2: 13-17(CEV)

Narrator: Jesus went to the shore of Lake Galilee. A large crowd gathered around him, and he taught them. As he walked along, he saw Levi, a tax collector, sitting in his office.

Jesus: Follow me.

Narrator: Levi got up and followed him. (Pause)

Later on Jesus was having dinner in Levi’s house. A large number of tax collectors and other sinners were following Jesus, and many of them joined him and the disciples for dinner. Some of the teachers of the Law, who were Pharisees, saw that Jesus was eating with sinners and tax collectors, so they asked Jesus’ disciples:

Pharisee: Why does Jesus eat with such people?

Narrator: Jesus heard them and answered:

Jesus: Healthy people do not need a doctor, but sick people do. I didn’t come to invite people who think they are good and do not sin, I came to invite people who know they are sinners.

DISCUSSION

1. Why do you think a large number of tax collectors and other outcasts were following Jesus?
2. The Pharisees were surprised to see Jesus eating with sinners. Why?
3. In this story, who are the ‘sick people’ and who are the ‘healthy people’?
4. Which type of person are you?

Sinners: people who disobey God
Taxes: money that you have to pay the government from the money you earn

Today's Lesson...
Today's story is about 2 people groups—the Jews and the Samaritans. The story shows how relationships can be improved. It is found in the Bible. Today you get to be actors and actresses—a great way to practice your reading and expression!

Introduction
Jesus told some great stories: Stories that teach about life. Today's story is about two ethnic groups: The Jews and the Samaritans. There was great bitterness and hatred between the Jews and the Samaritan people. This story was told around 2000 years ago. The story is set along a road from Jerusalem to Jericho. The road was narrow and steep. It was surrounded by wild, desolate country. Travellers had to be careful of robbers.

THE STORY - Luke 10:30-37(CEV)
Choose 9 people to act out the following parts: Narrator, Jesus, Lawyer, Traveller, Robber, Samaritan, Priest, Levite, and Hotel Manager.
1. Read through once. Check for new vocabulary and understanding.
2. Read the story again this time acting out the story to check for understanding and practice your listening skills.
3. Interview (See discussion section for interview questions.)

VOCABULARY
Ethnic: a particular group of people
Bitterness: angry and upset because something happened that you cannot forgive.
Desolate: a desolate place is empty and makes you feel sad.
Steep: a hill or slope that goes up or down very quickly.
Trap: to trick someone into something.
Soul: the part of the person, which is not their body, which continues to exist after they die.
Robber: someone who steals.
Stripped: to take someone's clothes off.
Beat: to hit someone very hard, many times.
Eternal: lasts forever
Pity: a feeling of sympathy for someone
Poured: to make liquid flow
Wounds: an injury

Narrator: One day a lawyer wanted to know who his neighbour was. To explain that his neighbour was someone he should love, Jesus told this story to him.

Jesus: There was once a traveller who was going down from Jerusalem to Jericho when robbers attacked him, stripped him, and beat him up, leaving him half dead. It so happened that a priest was going down that road. When he saw the man, he walked on by, on the other side of the road. In the same way a Levite came along, went over and looked at the man and then walked on by, on the other side. But a Samaritan man who was travelling that way came upon the man. When he saw him, his heart was filled with pity. He went over to him, poured oil and wine on his wounds and bandaged them. Then he put the man on his own donkey and took him to a hotel, where he took care of him. The next day he took out two silver coins and gave them to the hotel manager.

Samaritan: Take care of him and when I come back this way, I will pay whatever else you spend on him.

Narrator: And Jesus concluded:

Jesus: In your opinion, which one of these three people acted like a neighbour towards the man attacked by the robbers?

Narrator: The lawyer answered:

Lawyer: The one who was kind to him.

Jesus: You go and do the same.

The teacher will now interview each person.
1. (to the Priest) Why didn’t you stop to help the traveller?
2. (to the Levite) Why didn’t you stop?
3. (to the Samaritan) Why did you stop?

Discussion: (in pairs)
Who is your neighbour?
Is Jesus’ explanation of a neighbour surprising to you?
The Lost Son & His Father –

Jesus: There was once a man who had two sons. The younger one said to him:

Younger Son: Father, give me my share of the property now.

Jesus: So the man divided his property between his two sons. After a few days, the younger son sold his part of the property and left home with the money. He went to a country far away, where he wasted his money in reckless living. He spent all the money. Then there was a severe famine in the country, and he was left without a thing. So he went to find a job. He went to a farm and fed pigs. He was so hungry he wished he could eat the pig's food. At last he came to his senses.

Younger Son: All my father's workers have enough to eat, and here I am starving to death! I will get up and go to my father and say: 'Father I have sinned against God and you. I am no longer good enough to be called your son. Treat me as one of your workers.'

Jesus: So the younger son got up and went back to his father. He was still a long way from home when his father saw him; his heart was filled with pity, and he ran, threw his arms around his son and kissed him. The son said:

Younger Son: Father, I have sinned against God and against you. I am no longer good enough to be called your son.

Father: (to the servant). Hurry bring the best clothes and put it on him. Put a ring on his finger and shoes on his feet. Then go and get the best calf for him! And let us have a celebration! For this son of mine was dead, but now he is alive; he was lost but now he is found.

Jesus: In the meantime the elder son was out working in the field. He heard the music and dancing. So he called one of the servants.

Elder Son: What's going on?

Servant: Your younger brother has come back home and your father is celebrating, because your brother has returned.

Jesus: The elder brother was so angry that he could not go into the house; so his father begged him to come in. But the elder son said:

Elder Son: Look, all these years I have worked hard for you, and I have never been bad. What have you given me? But this son has wasted all your money on prostitutes, and when he comes home you kill the best calf for him!

Father: My son, you are always here with me, and everything I have is yours. But we have to celebrate and be happy, because your brother was dead, but now he is alive; he was lost, but now he has been found.

Interview Questions - The teacher will now interview the actors.

Younger Son: What did you ask your father for? What did you do in the other city? Why did you decide to go back home?

Father: Why did you give your son his share of the property? How did you feel when he left home? Your son spent all your money – why did you celebrate his return?

Elder Son: How did you feel when your brother returned?

Discussion:

1. In the story the father says to the younger son: “You were dead but now you are alive. You were lost but now you have been found.” Was the son really dead? Why did the Father say this?

2. Jesus told this story to explain about God the father's relationship with us. We are like the son who left home. If God is like the father in this story – what kind of welcome can we expect?

3. Has your relationship with your family changed since you have been away? How?

“Let us get rid of everything that slows us down, especially the sin that just won’t let go. And we must be determined to run the race that is ahead of us.

We must keep our eyes on Jesus, who leads us and makes our faith complete. He endured the shame of being nailed to a cross, because he knew that later on he would be glad he did. Now he is seated at the right side of God’s throne! So keep your mind on Jesus, who put up with many insults from sinners. Then you won’t be discouraged and give up.”

  ☐ to populate the earth
   ☐ to survive to an old age
   ☐ to improve the human race
   ☐ to achieve wealth, health and happiness
   ☐ to love others
   ☐ to party hard and live for the day
   ☐ to know God
   ☐ to find out my purpose for living
   ☐ for no reason at all

2. The choices you made above affect the way you live your life. For example, if you chose: “to improve the human race” - you might choose a career in science or research or health. Or if you chose: “to survive to an old age” - you may be interested in healthy living or not taking too many risks. Look at the options you chose. How does it affect the way that you live - your career, your lifestyle...etc?

3. What different views of God have you come in contact with?

4. Bette Midler sang a popular song called, “God is watching us from a distance”. (Maybe someone can sing it for you in the group!). Do you think God is a distant, non-personal being?

In the Bible it describes the God who is there:

God made the world and everything in it. He is Lord of heaven and earth. He doesn't live in temples built by human hands. He doesn’t need help from anyone. He gives life, breath, and everything else to all people. From one person God made all the nations who live on earth, and he decided when and where every nation would be.

God has done all this, so that we will look for him and reach out and find him. He isn't far from any of us and he gives us the power to live, to move, and to be who we are. We are his children.

(Acts 17: 24-28) (CEV)

   2. **Storming** – ‘the honeymoon’ period is over and people begin to notice annoying habits or personality differences.
   3. **Norming** – if people have not left during the storming period, they can choose to ‘put up’ with the other person/people, but don’t get too close or ignore them.
   4. **Performing** – if people learn to accept each other’s differences and actually appreciate the other person then the group or share mates become very close and life long friendships are formed.

4. Which group are you involved in at the moment? A share house, home stay, workplace, class… What stage is your group in? Is it possible to move to the performing stage? How?

**A thought on community**

Community is a place of belonging, a place where we learn to accept other people’s differences and stop trying to change them. We learn to forgive again and again. We learn to love ourselves and love others – even from different cultures!

Jesus says: “But I say to you that hear, love your enemies, do good to those who hate you, bless those who curse you…If you love those who love you, what good is that to you? For even sinners love those who love them (Luke: 6:27-9; 32).

Today’s topic is about inconvenient truths facing us today and how we respond to them.

Inconvenient Truth 1: Global Warming
1. The Movie Inconvenient Truth made some claims about global warming. In small groups read and discuss each claim.

a. Heat waves will be more frequent and more intense as temperatures rise. What are the hottest (maximum) temperatures in your country? What do people do when your city has a heat wave? Is your city getting hotter?
b. Global sea levels could rise by more than 20 feet (6 metres) with the loss of shelf ice in Greenland and Antarctica, devastating coastal areas worldwide over the next 100 years.    B. Try and do extra good things to balance the bad things I do…
   C. Try to always be good…
   D. Ask God for forgiveness…

The Birth of Jesus

Christmas is the story of God's love. God sent His Son, Jesus Christ to earth to be our Saviour so that we can have a relationship with God. This is the first part of the Christmas story. Read through together once to check for understanding. Then act out the story.

You need two Narrators, an Angel, Mary, Joseph and a prophet.

Lk. 1:26-38; Mat. 1:18-25 (DB)

Narrator1: God sent an angel Gabriel to Nazareth, a town in Galilee, to a virgin engaged to a man named Joseph. The virgin's name was Mary. The angel went to her and said:

Angel: Greetings, you who are highly favoured! The Lord is with you.

Narrator2: Mary was confused by the angel's words and wondered what they meant. But the angel said to her:

Angel: Don't be afraid! God is pleased with you, and you will have a son. His name will be Jesus. He will be great and will be called the Son of God Most High. The Lord God will make him King, and his kingdom will never end.

Narrator1: Mary asked the angel:

Mary: How can this happen? I'm not married and I am a virgin!

Angel: The Holy Spirit will come down to you, and God's power will come over you. So your child will be called the holy Son of God. Nothing is impossible for God!

Mary: I am the Lord's servant. Let it happen as you have said.

Joseph Learns the Truth:

Narrator 2: Joseph found out that Mary was pregnant—even though he hadn't had sex with her. Joseph was a good man and didn’t want to embarrass Mary in front of everyone. So he decided to quietly call off the wedding. But while he was sleeping he had a dream and an angel of the Lord appeared to him and said:

Angel: Joseph, the baby that Mary will have is from the Holy Spirit. Go ahead and marry her. Then after her baby is born, name him Jesus, because he will save people from their sins.

Narrator 1: All this took place to fulfill what the Lord had said through the prophet a long time ago:

Prophet: The virgin (a person who has not had sex) will be with child and will give birth to a son, and they will call him Immanuel -

Narrator 2: Which means ‘God is with us’. When Joseph woke up, he and Mary were soon married, just as the Lord’s angel had told him to do.

Discussion Questions:

1. Mary was engaged to Joseph. What is the role of engagement in your country?
2. In your culture what happens to women who become pregnant before they are married? What happens to the child? (In pairs)
3. What does the name Jesus mean? What does your name mean? (in threes)

The Christmas Story Part 2 ...
The Birth

Introduction
Last week we read about the story of Mary and Joseph and the naming of Jesus—meaning God is with us. Today we are going to read about the special visitors Mary and Joseph had after Jesus was born.

You need: Narrator 1, Narrator 2, Angel, Angel 1, 2 and 3, Shepherds 1 & 2.

Jesus is born Luke 2:1-20 (DB)

Narrator 1: Joseph and Mary were in Bethlehem, when the time came for Mary to have her baby. She gave birth to her first son, wrapped him in strips of cloth and laid him in a manger, as there was no room at the inn.

Narrator 2: That night in the fields near Bethlehem some shepherds were looking after their sheep. All at once an angel came down to them from God, and the brightness of the Lord’s glory flashed around them. The shepherds were frightened, but the angel said to them:

Angel 1: Do not be afraid. I bring you good news of great joy that will be for all the people. Today in Bethlehem a Saviour has been born to you; he is Christ the Lord. You will know who he is, because you will find him dressed in strips of cloth and lying in a manger.

Narrator 1: Suddenly a great number of angels appeared, praising God

Angels 1,2,3: Praise God in heaven and peace on earth to everyone who pleases God.

Narrator 2: When the angels had left them and gone into heaven, the shepherds said to one another:

Shepherd 1: Let’s go to Bethlehem!

Shepherd 2: Which the Lord has told us about.

Narrator 1: So they hurried off and found Mary and Joseph, and the baby, who was lying in a manger on a bed of hay.

Narrator 2: The Shepherds returned praising God for all the things they had heard and seen.

1. What things have you been doing this week? Is this the same or different from what you usually do in your country?

Vocabulary

Worship: to show respect to God by praising him.
Chief Priests: The leading priests.
Messiah: the promised saviour of God.
Prophet: someone sent by God to tell people what to do or say what will happen in the future.

The Wise Men Mat 2:1-11 (CEV)
You will need: Narrator 1 and Narrator 2, Wisemen 1, 2 and 3, King Herod, and the Chief Priest.

Narrator 1: When Jesus was born in the village of Bethlehem in Judea, Herod was King. During this time some wise men from the East came to Jerusalem and said,
Wisemen 1,2,3: “Where is the child born to be king of the Jews? We saw his star in the east and have come to worship him.”
Narrator 2: When King Herod heard about this, he was worried, and so was everyone else in Jerusalem. Herod brought together the chief priests and asked them:
King Herod: Where will the Messiah be born?”
Chief Priest: “He will be born in Bethlehem, just as the prophet wrote, ‘Bethlehem in the land of Judea, You are very important among the towns of Judea. From your town will come a leader, who will be like a shepherd for my people Israel.’”
Narrator 1: Herod secretly called in the wise men and asked them when they had first seen the star, and told them:
King Herod: “Go to Bethlehem and search carefully for the child. As soon as you find him, let me know. I want to go and worship him too.”
Narrator 2: The wise men listened to what the king said and then left. And the star they had seen in the east went on ahead of them until it stopped over the place where the child was. They were thrilled and excited to see the star.
Narrator 1: When the men went into the house and saw the child with Mary, his mother, they knelt down and worshipped him. They took out their gifts of gold, frankincense, and myrrh and gave them to him.
Narrator 2: Later they were warned in a dream not to return to Herod, as he wanted to kill the child, and they went back home by another road.

Review
You will be given a part of the Christmas story. You have to work out the order of the story as a group and re-tell your part of the story (if you need help you can look at the back of the card for the story information).

Discussion Questions
1. The wise Men brought gifts that matched Jesus’ character and work. Gold: was the gift for a king. b) Frankincense was the gift for a priest c) Myrrh is the gift of one who is to die. What do these gifts tell us about Jesus?
2. Jesus was born in a very humble place (an animal’s stable) but he was God’s chosen Messiah. What does this say about the kind of Messiah he is? What does Christmas mean to you.
Mary and the Angel

About two thousand years ago, in the town of Nazareth, there lived a young woman named Mary. She was engaged to be married to Joseph, a carpenter. One day an angel appeared before her and told her she had been chosen to have a special baby. The baby would be God's son and she must call him Jesus.

Journey to Bethlehem

Soon after the angel's visit, Mary and Joseph were married. Mary was due to have her baby when they were told they had to go on a long journey to Bethlehem, which was where Joseph came from. This was because they had to pay a special tax. Mary had to ride on a donkey for a few days over the hills of Gallilee.
**No Room at the Inn**

At last Mary and Joseph arrived in Bethlehem. It was crowded with other people who needed to pay their taxes. Mary was very tired and needed a place to stay. At each inn, the story was the same. There was no room for them. Eventually, one kind innkeeper said he had a stable where he kept his animals. They were welcome to stay there.

**Jesus is Born**

And so it was that a few hours later, Mary gave birth to her son in that stable. She wrapped Jesus in strips of cloth and laid Him in a manger full of hay.

**Shepherds hear News**
At the same time, on a hillside overlooking Bethlehem, some shepherds were watching over their sheep. A bright light appeared in the sky. They were very afraid. It was an angel sent by God. The angel told them not to be afraid, because he had some good news. He said the Son of God had been born and they would find Him in Bethlehem.

The shepherds wanted to go and see the baby. When they arrived at the stable, they were filled with joy at seeing Jesus lying in the manger. They knelt down and worshipped Him. They told Mary and Joseph how the angel had appeared in the sky and told them that Jesus was to be the Saviour of the world.
A New Star Appears

Far away in the East, Wise Men saw a new star shining high in the sky. These men studied the stars and they knew this was a very special star. They studied their scrolls where it said that whenever a bright new star appeared it meant that a great ruler had been born.

Following the Star

The Wise Men decided to find this new ruler. They went to Jerusalem to see King Herod, as they thought the baby would be in the palace. They asked to see the child that would be King of the Jews. The king was troubled. He thought this new king may take away his throne. He told them to return when they had found the baby so that he could worship the child himself.
Wise Men give Gifts

The Wise Men set off to find the baby. They were guided by the star to the stable in Bethlehem. Here they knelt down and worshipped Jesus. They gave him gifts of gold, frankincense and myrrh. That night, the men had the same dream where an angel warned them that King Herod wanted to kill Jesus and told them not to go back to his palace.

Jesus is Safe

The Wise Men went back to their own country without calling to see Herod. Soon after Joseph had a dream where an angel told him to take Mary and Jesus to Egypt as King Herod had ordered that Jesus be killed. They left Bethlehem right away. When the wise men did not return, Herod ordered that baby boys in Bethlehem be killed. They did not find Jesus as he was safe.
Welcome to the Christmas Story, about the birth of Jesus Christ.

Long, long time ago before the birth of Jesus (about 600BC), a man named Isaiah, one of God’s special messengers, told people that Jesus would come and save them. Isaiah knew that God’s Son would be born into the world. Many other prophets, (messengers of God) also told the people of the future King.

The prophets: (speaking to the crowd)
- Isaiah: He will come and save you.
- Micah: He will be born in Bethlehem.
- Isaiah: He will be born to a virgin.
- Jeremiah: He will be a descendant of King David.
- Isaiah: He will be God’s son.

Some time later, about 2000 years ago, there lived a young woman called Mary who was living in the town of Nazareth. She was engaged to be married to Joseph - a carpenter. One day, an angel appeared to Mary. Mary was very surprised and scared.

Do not be afraid, Mary, God is pleased with you. You will give birth to a Son, and you are to give him the name, Jesus.

But how can this happen? I am a virgin.

The power of God’s Holy Spirit will come over you. So the special child will be called the Son of God.

I am the Lord’s servant - may it happen just as you have said.

Meanwhile Joseph, Mary’s fiancé, was shocked to find that Mary was pregnant,

That’s impossible - how can Mary be pregnant?
I must quietly break off this engagement - I can’t marry her now.

But that night, God sent an angel to Joseph while he was having a dream.

Joseph, don’t be afraid to take Mary home as your wife. Her baby has been formed by the power of God’s Holy Spirit. When he is born, name him Jesus because he will save his people from their sins.

Joseph remembered what the prophet Isaiah said a long time ago -

The Saviour will be born from a virgin.

Now I understand, this baby is from God! Mary has done nothing wrong.

So Joseph did what the angel told him and took Mary home as his wife.
Narrator 2 When Mary was nearly due to give birth to the baby, Joseph and Mary had to travel by donkey from their town, Nazareth to the city of Bethlehem.

Government official Every man has to register in the town where he was born as the government wants to do a Census, to count the people so we can tax everybody.

Joseph (speaking to Mary). Mary, we must go to Bethlehem where my family was born, even though you are very pregnant.

Narrator 3 So Mary and Joseph started their long journey to Bethlehem on a donkey.

Narrator 1 When they arrived in Bethlehem, the town was very crowded with people because of the census. Although Joseph searched everywhere, he couldn’t find anywhere for them to stay. First he went to the Palace backpackers.

Joseph Do you have any rooms?

Backpacker Manger Sorry mate, we have no vacancies.

Narrator 2 Mary, who was very pregnant asked the Bethlehem YHA...

Mary Any vacancies?

Bethlehem YHA Manager Sorry! No vacancies. I know you are very pregnant but we are all full because of the Census.

Narrator 3 Joseph than asked an innkeeper…

Joseph Do you have any spare beds?

Innkeeper Sorry…

Narrator 1 But then the innkeeper said….

Innkeeper You’re welcome to sleep in my stable. It’s all I have left- but it is clean and warm.

Narrator 2 So that night Mary and Joseph went to the stable which was clean and warm.

Joseph, (Joseph turning to Mary) It’s not the Ritz Carlton Hotel but it will do, it’s clean and warm.

Narrator 3 That night Mary give birth to a baby boy.

Baby Jesus Wahhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh!

Narrator 1 She wrapped him in strips of cloth and laid him in a manger filled with fresh hay.

Mary and Joseph and everybody sing - Away in a manger**** (See Song Sheet)
Narrator 2 Near Bethlehem, shepherds were eating Kim Chi while watching their sheep in the fields.

Narrator 3 Suddenly an angel appeared and the sky was filled with beautiful light and heavenly music.

Narrator 1 The shepherds were afraid.

Shepherds Huuuh! (Shock) Oh oh oh!

Angel 1 “Hey you shepherds, don’t be afraid!

Angel 2 We bring you very, very, very good news!

Angel 3 Tonight in the town of Bethlehem - a Saviour has been born - He is Christ, the Lord.

Angel 4 You will find him lying in a manger.”

Everybody sing - Hark the Herald Angels Sing.*** (See Song Sheet)

Shepherd 1 We want to see this special child of God.

Shepherd 2 Let’s go and find him!

Shepherd 3 Let’s leave the sheep and our Kim Chi and hurry into town.

Narrator 2 When the Shepherds arrived in town they saw Mary and Joseph and the little baby Jesus in a manger in the stable. Things were so peaceful and so beautiful, so calm and so bright.

Everybody sings - Silent Night*** (See Song Sheet)

Narrator 3 Far away in the countries of the East, some kings, who were very wise men, had been watching the night sky when they saw a bright and beautiful star in the sky over Bethlehem.

King 1 Look at that star!

King 2 It’s amazing, it’s so big!

King 3 It’s so bright!

King 1 It’s so beautiful!

Narrator 1 They knew that this special star had a special meaning,

Narrator 2 They remembered what the prophet had said in the book of Numbers: When the king is born, you will see a bright star.

King 1 This bright star means a great king has been born.

King 2 This means, the king of all kings, the one who saves us from our sins, has been born.

King 3 We must find him and worship him.
Let's follow the bright and beautiful star

The wise men were kings in their own lands, so they packed gifts that were very rare and special.

The wise men left their countries and travelled to Bethlehem to follow the bright star.

Eventually they came to where the baby Jesus lived.

Everybody sings - The Little Drummer Boy *** (See Song Sheet)

When the Kings saw Jesus they knelt down and worshipped him.

We have brought special gifts for the King.

We may be kings on earth, but he is the king of heaven and earth - the one true king.

The birth of Jesus was a wonderful event because he is God’s great gift to the world. That is why the shepherds and the wise men were so happy.

We are very happy!!!!

When we celebrate the feast of Christmas each year. It is because we are happy that Jesus Christ was born. That special feeling we have at Christmas is because our hearts are full of the gifts He came to give us… LOVE and MERCY and PEACE. They are God’s gift to us because he loves us. What amazing things happened in Bethlehem for us 2000 years ago!

Everybody sing – We wish you a Merry Christmas***(See Song Sheet)

Easter Lesson Series
We have 3 weeks before the Easter festival. For English Corner we are beginning a series on Easter and the man behind Easter – Jesus. We have learnt that Jesus was a famous teacher, healer and forgave people’s sins. Today we learn why some people wanted to kill him.

**Hot Topics**

1. Have you ever been to a busy marketplace – for example Dong Dae Moon Markets in Seoul or Temple Street markets in Hong Kong? Describe the marketplace.

2. Write down all the words you can think of to describe a busy marketplace. For example: sellers yelling out, the aroma of food cooking, bustling crowds.

**Today’s story**

Today’s story is about a busy marketplace. Not a market on the street but inside a temple. In threes, read the story: Narrator 1, Narrator 2 and Jesus. Mark 11.15-18 (DB)

**Narrator 1**: When they arrived in Jerusalem, Jesus went to the Temple and began to drive out all those who were buying and selling. He overturned the tables of the moneychangers and the stools of those who sold pigeons. Jesus would not let anyone carry anything through the Temple courtyards. He then taught the people:

**Jesus**: It is written in the Scriptures that God said, ‘My Temple will be called a house of prayer for the people of all nations.’ But you have turned it into a hideout for thieves!”

**Narrator 2**: The chief priests and the teachers of the Law heard of this, so they began looking for some way to kill Jesus. They were afraid of him, because the whole crowd was amazed at his teaching. When evening came, Jesus and his disciples left the city.

**Discussion**

1. What did Jesus see in the temple?

EASTER (2)

Last week we talked about Easter and what it means. The last few weeks we have also talked about Jesus’ life. We have seen that Jesus came into the world with all the authority of God.

To understand Easter you need to know some information about the man behind Easter – Jesus. Review: In your group discuss – (5 minutes)

1. What are some things that Jesus did? What are some things that Jesus taught? Why did people follow him?

2. What did the religious leaders of the day think about Jesus?

Have you seen Mel Gibson’s Movie: “The Passion”? It shows the death and resurrection of Jesus. Many people don’t understand why Jesus died. Today we will look at the story of Jesus’ death.

Below is the story of Jesus’ crucifixion (dying on a cross). In your groups you will need: a narrator, soldiers (4), religious leader 1, religious leader 2, Jesus, Crow, criminal 1, criminal 2. Read the story once for understanding and then act out the story.

The Passion of Christ—English Corner Style

Mark 15: 16 – 39 (CE)

Narrator: (soldiers do the following actions): The soldiers led Jesus inside the courtyard and called together the rest of the troops. They put a purple robe on Jesus, and on his head they placed a crown that they had made out of thorny branches. They made fun of Jesus and shouted:

Soldier 1: Hail! You king of the Jews!

Soldiers 2, 3, 4: Long live the King of the Jews!

Narrator: The soldiers beat Jesus on the head with a stick. They spat on him and led him off to be nailed on a cross. (Pause). (Women do the following actions): A group of women followed Jesus weeping and wailing for him. Jesus turned to them and said:

Jesus: Women of Jerusalem! Don’t cry for me, but for yourselves and your children.

Narrator: Two other men, both of them criminals, were also led out to be put to death with Jesus. The soldiers took Jesus to a hill to be crucified. They crucified Jesus there, and the two criminals, one of his right and the other on his left. Jesus said:

Jesus: Forgive them Father! They don’t know what they are doing!

Narrator: (soldiers do the following actions): The soldiers gambled for Jesus’ clothes among themselves by throwing dice. The crowd stood there watching while the soldiers mocked him.

Religious Leader 1: He saved others. Now he should save himself!

Religious Leader 2: If he is the Messiah—God’s chosen one—come down from the cross!

Soldier 4: Save yourself if you are the King of the Jews.

Narrator: One of the criminals hanging there threw insults at Jesus:

Criminal 1: Aren’t you the Messiah? Save yourself and us!

Narrator: The other one, however, told the first one off.

Criminal 2: Don’t you fear God? Aren’t we getting the same punishment as this man? We got what we deserved, but he didn’t do anything wrong.

Narrator: Then criminal 2 turned to Jesus and said:

Criminal 2: Remember me when you come into power!

Narrator: Jesus said to him:

Jesus: I promise that today you will be with me in heaven.

Narrator: When Jesus was crucified, some women stood at a distance to watch because they were afraid the soldiers might arrest them, as they were family and friends of Jesus. They were upset and cried for Jesus. The sky turned dark and Jesus shouted:

Jesus: Father, I put myself in your hands!

Narrator: Then he died. A Roman soldier saw what happened and said:

Soldier 4: Jesus must really have been the Son of God!

Discussion questions

1. Why do you think Jesus died?
2. Who killed Jesus? Was it the soldiers? Was it the Jewish religious teachers? Was it the crowd? Or was it God’s plan?
3. In your group your teacher will show you an example to explain why Jesus died – (The Book example).
4. This is why we have Good Friday, the first public holiday of Easter. Why do you think we call it ‘Good’ Friday? What will you be doing on Good Friday? (March 25th)?

Vocabulary:

Arrest: If the police arrest someone, they take them away to ask them about a crime which they may have committed.

Made Fun: To tease or make a joke in an unkind way.

Over the last few weeks we have been talking about Easter and what it means. Today’s discussion is the most important part of the Easter story. What happened after Jesus died? This story is about what the women saw when they went to visit Jesus’ grave.

Hot Topics

1. What are your funeral customs?
2. Is there a special day to visit graves in your country? Explain.
3. In your country what do people believe will happen to you after you die?

The Story – The resurrection of Jesus  
Mark 16:1-8 (DE)

(You will need 4 people to read the story; A Narrator, Mary, an Angel and Jesus.)

Narrator: After the Sabbath was over, Mary Magdalene, Mary the mother of James, and Salome bought spices to go and anoint the body of Jesus. Very early on Sunday morning, at sunrise, they went to the tomb. On the way they said to one another,

Mary: “Who will roll away the stone for us from the entrance to the tomb?” (It was a very large stone.)

Narrator: Then they looked up and saw that the stone had already been rolled back. So they entered the tomb, where they saw a young man sitting at the right, wearing a white robe—and they were alarmed.

Angel: “Don’t be alarmed”, he said. “I know you are looking for Jesus of Nazareth, who was crucified. He is not here—he has been raised! Look, here is the place where he was placed. Now go, and give this message to his disciples, including Peter. ‘He is going to Galilee ahead of you; there you will see him, just as he told you.’”

(Jesus appears to his disciples)

Narrator: The eleven disciples went to the hill in Galilee where Jesus had told them to go. When they saw Jesus, they worshipped him, even though some of them doubted. Jesus said to them:

Jesus: “I have been given all authority in heaven and earth. Go, then, to all people everywhere and make them my disciples; baptise them in the name of the Father, the Son and the Holy Spirit. And I will be with you always, to the end of the age.

Discussion

1. Jesus had told his followers before he died: “I will be sentenced to death and they will make fun of me and spit on me. They will beat me and kill me. But three days later I will rise to life.” Why were the women surprised that Jesus’ body was gone?
2. Why is it so important that Jesus was raised from the dead? What does it say about who Jesus was?
3. Around the world the Easter festival has two important days. Good Friday – the day that Jesus died and Easter Sunday the day that Jesus was raised. Discuss what people usually do on these days. What are you doing on Good Friday?
