## English Corner's Easter Series -

### Lesson 1: The Passion Play

Over the last 4 weeks we have provided an overview of who Jesus is and what he did: Jesus Heals, Jesus Teaches, Jesus Forgives and Jesus is God. This week we cover the crucifixion - the story behind Good Friday. In the lesson it refers to 'The Book Illustration', I have attached the 'Book Illustration' information taken from Christianity Explained written by Michael Bennet to help explain the reason why Jesus had to die for our sins.

Many students are curious why we have a public holiday on Friday and why it is called Good Friday. Over the last 10 years, we have held a Good Friday Festival at our house, sharing Easter food, games and the Easter movie (parts of the Gospel of John) to students. Every year we have had around 90 students come. The shops are closed there is nothing for them to do and they are interested in learning more about Easter - It is a wonderful opportunity to share the real meaning behind Easter. Please pray and even consider holding a similar event in your home/church/ English Class. The Gospel of John can be found at: <http://video.google.com/videoplay?docid=3706950890328289071#>. Or you can purchase the video at any Christian bookstore. We have found this video really good for students as it uses Contemporary English and is professionally produced.

The following week we will do the story of the resurrection for Easter Sunday. Please pray for all the English classes over Easter that we will use every opportunity at this amazing time of year to share God's love for us.

Many blessings
